Founded on August 14th 1225 by  
monks from the monastery of Alvastra

A family-owned estate, 3500 hektars of forests, fields, pastures, water, buildings and machinery where 28 people and a dairyherd of 500 head create a yearly turnover of 8 million €.

We manage a cultural heritage.

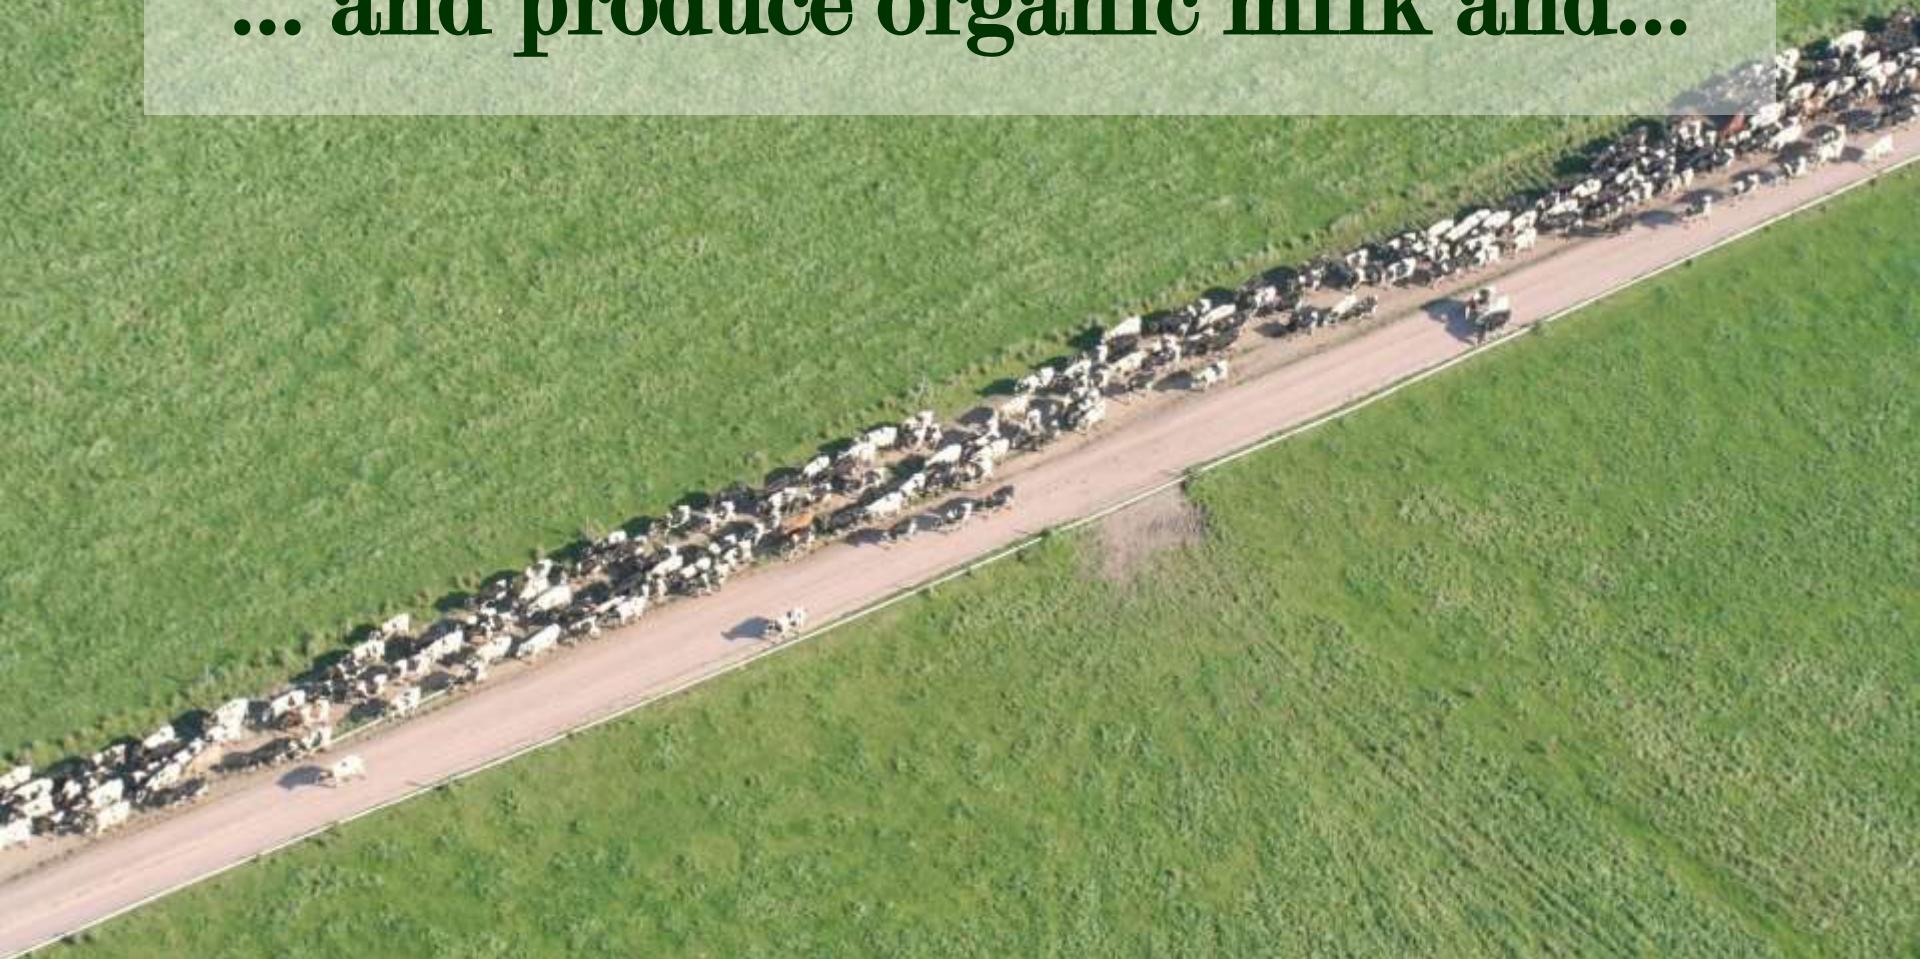

Vi förvaltar vår egen FSC-certifierade skog och handlar med andras.

We grow organic crops...

**... and produce organic milk and...**

... biodiversity...

... and we produce farmstead artisanal cheese!
